

Skate Deterrents Wedge Series

Tactile Systems Australia's Skate Deterrents are the ideal way to protect property from the damage caused by skaters and skateboarders.

Our Wedge Series deterrents are manufactured from marine grade stainless steel, allowing protection to your property, without adversely affecting the appearance of the protected area.

They are suitable for use on a wide range of surfaces, such as planters, retaining walls, handrails, benches etc.

Wedge Skate deterrents can be installed into expansion joints, or installed into saw cuts and secured with adhesive.

Install with TSA 2 part epoxy adhesive for secure and long lasting service - TSA-PE-500SD

Tactile Systems skate deterrents have been used in hundreds of applications all over Australia, as well being exported to the USA, New Zealand and PNG.
