

Warning Discrete TGSI Stainless Steel Carpet System

Stainless Steel

Warning Discrete TGSI

COLOUR VARIATIONS

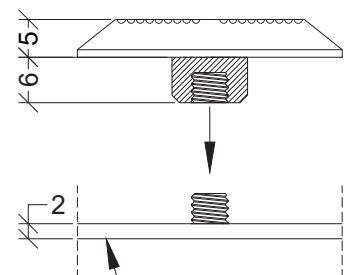

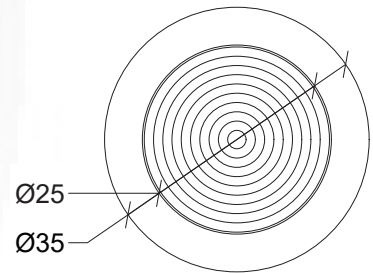

Tactile Systems Australia Warning Discrete TGSI carpet system are made from marine grade solid stainless steel or high quality Brass, the 300mm x 600mm carpet base plates are welded with small threads which the Discrete TGSI are the screwed on to.

Their robust construction, longevity and elegant aesthetics make them ideal for busy high traffic environments, whilst adding a sense of class to any design.

Tactile Systems Australia products have been independently tested for slip resistance. Please contact us for a copy of the report. This product features a P5 slip resistance rating – as tested by a NATA Approved Laboratory.
