Tactile Systems Australia Classic Series carpet range of clear anodised stair nosing is the ideal product for a wide range of applications.

Designed to comply with AS-1428.1 2009 it features a long lasting aluminium construction, paired with a choice of inserts – Aluminium Oxide tape insert, PVC Poly Insert and Fibre-Reinforced Infill – all with P5 slip rating or Aluminium insert. All inserts are available in a range of colours to meet luminance contrast requirements, as well as giving a range of design options.

Classic Series stair nosing has been on some of Australia's most iconic construction projects.
