**Tactile Systems Australia** Classic Series 3 range of black anodised stair nosing is the ideal product for a wide range of applications.

Designed to comply with AS-1428.1 2021 it features a long lasting aluminium construction, paired with a choice of inserts – Aluminium Oxide tape insert or PVC – both with P5 slip rating. Both inserts are available in a range of colours to meet luminance contrast requirements, as well as giving a range of design options.

Suitable for indoor or outdoor applications, Classic Series stair nosing has been on some of Australia's most iconic construction projects.
