

Recess Stair Nosing

Elite Series 2 Anodised P5 Aluminium

ANODISED ALUMINIUM COLOUR VARIATIONS

Tactile Systems Australia Elite Series stair nosing features clear, black anodised aluminium, or brass look cathaphoresis finish.

All three finishes are extremely hard wearing and have been selected for their excellent in-field performance.

High grade T5 aluminium construction. Design complies with AS/NZ 1428.1 2021

P5 slip rating from a NATA approved laboratory, tested to AS4586:2013 Appendix A

The continuous aluminium ridge design is suitable for a range of substrates and install environments.

Elite Series stair nosing is available as surface mounted, recess type or as an insert into our Dual Series Nosing.

Suitable for indoor or outdoor applications. It can be used for new construction, as well as retrofit requirements.
