

Recess Stair Nosing

Select Series 2 - Black or Brass Anodised

CARBORUNDUM COLOUR VARIATIONS

Tactile Systems Australia Select Series 2 Recess stair nosing features, black or brass anodised aluminium matched with a high-grade carborundum insert.

Designed to comply with AS-1428.1 2021, it features high grade aluminium construction with a carborundum insert. A P5 slip rating from a NATA approved laboratory, tested to AS 4586

Available in Black, Yellow, Grey and White insert to provide designer options, as well as providing a solution for various colour and types of substrates – enabling compliance with the 30% colour contrast required under the standard.

This Select Series nosing type is recess mounted, suitable for indoor or outdoor applications.
